

Moving with Pets Checklist

Before the Move: Planning

- **Vet Check-Up:** Update vaccinations, get health certificates, discuss anxiety aids.
- **Regulations Research:** Check destination rules, breed restrictions, USDA guidelines for interstate moves.
- **ID Update:** Refresh microchips, tags; consider GPS trackers.
- **Book Services:** Confirm pet-friendly transport; Solomon Moving advises on options.
- **Acclimate:** Introduce crates gradually.

Packing for Pets

- **Essentials Kit:** Food, water, meds, toys, bedding, waste bags.
- **Comfort Items:** Familiar blankets, pheromone aids.
- **Documentation:** Vet records in waterproof folder.
- **Secure Hazards:** Keep cleaners away.
- **Use Solomon Moving Packing:** Let us handle household items.

Moving Day: Safety First

- **Safe Space:** Confine to quiet area or crate to avoid escapes.
- **Hydration/Breaks:** Provide water, schedule stops.
- **Safe Transport:** Use carriers/harnesses; never leave unattended.
- **Inform Movers:** Tell Solomon Moving team for adjustments.
- **Monitor Stress:** Watch for signs, offer reassurance.

Settling In

- **Pet-Proof Home:** Remove hazards like wires.
- **Familiar Setup:** Unpack beds, bowls first.
- **Gradual Intro:** Explore room by room.
- **Maintain Routines:** Keep schedules consistent.
- **Local Resources:** Find vets, stores, parks; register if needed.
